Hello and Goodbye

It is with much sadness that the Club says goodbye to the Atkinson Family. Josie and McLeod have been valued active swimmers with the club, and Simone has been a highly valued volunteer. Not only has she been a great publicity officer this year, but has also filled other roles on the committee during the 3 years or so the family has been with the club including Race Marshal and Time Keeper. Thank you Simone and Rob for your contributions to the club. We wish them all the best as they move to their new home in Darwin.

The club would like to extend a very big hello to all our new members who have joined us recently. We eagerly look forward to getting to know you.

We hope you enjoy your first season with us and enjoy swimming in our new pool as much as we all are. Just watch out, the locals at the pool are friendlier than those down at our beaches.

Records

The records are tumbling ... so far this season, we already have had

Dave & Karyn – Our Lifeguards

Have you ever noticed how clean and tidy the pool & surrounds are? Despite the rubbish that some people leave behind, Dave and Karyn, tirelessly clean up day after day. Lifeguards are at the pool to help us and keep us safe. Dave has been a life guard at the Gold Coast theme parks and is very experienced. Karyn gives Dave a well deserved break.

Remember to always follow the life guard's instructions. It's their job to keep us all safe.

Something to keep in mind, especially with the approaching Wet Season storms.

Learn To Swim News

It is great to see so many of our Learn to Swim children move up to Squad training. A few children (and their parents!) were a bit nervous about moving up and/or coming to Club nights. Guess what? All of them have loved it!!! PB's continue to be made.

When speaking with many parents lately, they have all been impressed with how much their child has improved in their water confidence and strokes. I am sure our coaches are in their child's dreams chanting "bubble, bubble, breathe" !!! A big congratulations to our coaches Kerri-Anne and Rosa who are doing a fantastic job. They always encourage their students and have a ready smile.

The last Learn to Swim classes are on Sat. 6 December for this term.
